

AWS Skill Builder Team Subscription

AWS Skill Builder Team Subscription

The Online Learning Center - AWS Skill Builder - offers unique digital training developed by experts at AWS. With the Teams subscription, you can accelerate cloud transformation for your team.

With AWS Skill Builder, you can learn in-demand cloud skills in an online learning centre - individually! AWS Skill Builder includes, for example:

AWS Builder Labs

Acquire and practice new skills in the AWS Builder Labs.

Prüfungsvorbereitung

Prepare for AWS certifications with exam preparation courses (including exercises and additional practice questions) and official practice tests.

AWS Jam Journey

Improve your AWS skills through interactive, hands-on scenarios.

AWS Cloud Quest

Learn and apply AWS skills in the AWS Cloud Quest role play.

The **AWS Skill Builder Team Subscription** includes the full functionality of AWS Skill Builder. We offer it for groups of 5 people or more. The price shown is per person.

Course Contents

- Over 500 on-demand digital courses for learners at every level.
- Learning plans based on roles or solutions such as Cloud Essentials, Serverless and IoT.
- CloudQuest, a role-playing game to learn AWS skills. Learners navigate a virtual city as a Cloud Practitioner, Solutions Architect, Serverless Developer or Machine Learning Specialist.
- AWS Jam Journey, where teams can collaborate to creatively solve challenges.
- More than 100 AWS Builder Labs that immerse learners in real-world, hands-on scenarios.
- Exam preparation courses, including AWS Certification Official Practice Exams that have the same depth, rigour and assessment as AWS Certification exams.

Target Group

AWS Skill Builder is suitable for anyone who wants an offer that gives them permanent access to AWS Cloud know-how in addition to traditional course attendance.

Prerequisites

AWS Skill Builder requires general IT knowledge.

Processing time

approx. 100 hours
