

Extreme Fabric - Advanced Configuration

This course provides an in-depth review of Extreme Networks' Fabric Connect advanced features for integrating SPBM with other protocols and solution requirements. You will learn how to expand the campus configuration by implementing Fabric Extend including Fabric over SD-WAN. You will see how Distributed Virtual Routing (DvR) is used to optimize routing in the Fabric. Redistributing routes from outside protocols into ISIS is discussed with route policies. Lectures are supported with hands-on configuration of VSP8400, Universal Hardware 5520, and EXOS.

Course Contents

- Distributed Virtual Routing (DvR)
- VSP IP Routing
- Fabric Extend (FE)
- Fabric over SD-WAN
- Multi-Area SPBM
- Extreme Integrated Application Hosting
- QoS

E-Book For this course you will receive the original documentation from Extreme Networks as a PDF file.

Target Group

This course is designed network administrators, support engineers and integrators responsible for the architecture and administration of the Extreme Networks Fabric Connect switches and devices.

Prerequisites

To take part and to gain the most benefit from this training, you must possess the full learning credential in Extreme Fabric - Installation and Configuration. This requires completion of the training and having successfully passed the related exam.

Course Target

- Implement a DvR network with Fabric Connect.
- Understand how to expand the campus configuration by implementing Fabric Extend and Fabric over SD-WAN.
- Integrate other protocols and services with Fabric Connect.
- Understand QoS principles within the Fabric.

Exam: Extreme Fabric - Advanced Configuration

Status 03/08/2024

Our Training Offer for You

Classroom Training

The live training experience in our training centers or on your premises on-site.

Online Training

Attend your course in online mode – without travel and accommodation expenses and effort.

Hybrid Training

Classroom & online in one course – choose how you wish to participate in your training event.

In-house Training

We create your customized training concepts for your project.

Guaranteed Course Dates

ExperTeach guaranteed course dates allow for secure and reliable planning.
