Target Group

This course is designed for persons who are aspiring to the Microsoft 365 Enterprise Admin role and have completed one of the Microsoft 365 work load administrator certification paths.

Prerequisites

MS-100 - Microsoft 365 Identity and Services

If you'd like to be a Microsoft 365 Enterprise Administrator Expert, also make sure to complete one of the Microsoft 365 workload administrator certifications. If you have your MCSE: Productivity certification, that certification plus passing Exams MS-100 and MS-101 will earn you the Microsoft 365 Certified: Enterprise Administrator Expert.

Candidates also have a working knowledge of networking, server administration and IT fundamentals such as DNS, Active Directory, and PowerShell.
