VMware Enterprise Learning Subscription

VMware Enterprise Learning Subscription

The VMware Enterprise Learning Subscription is specially designed for IT organizations and supports troubleshooting, configuration and implementation of VMware solutions. It is an ideal learning environment for globally distributed teams with different skill levels.

Subscribers have access to content in the VMware Learning Zone, which spans the entire VMware product portfolio. This includes, among other things, video training and preparation for the certification exams as well as on-demand and Lab-Connect courses.

A certification exam voucher is included for each subscriber.

Course Contents
