

ZTNA, XDR & Endpoint Security

Future-proof Cyber Security!

The IT landscape has changed dramatically in recent years! Working from home and mobile working have become the norm in many industries. This has also changed the demands on the IT infrastructure. Familiar security technologies such as endpoint security have become more important and new security methods such as ZTNA and XDR have emerged.

This course deals with securing end devices. Classic and new security methods and security concepts such as Remote Access VPN, SASE, ZTNA and XDR are explained. Their possible applications are also demonstrated.

Course Contents

- Current threat situation
- Weaknesses of classic security architectures
- Remote Access VPN
- Secure Access Service Edge
- ZTNA
- Endpoint Detection and Response
- Network Detection and Response
- eXtended Detection and Response
- Endpoint Security

E-Book The detailed digital documentation package, consisting of an e-book and PDF, is included in the price of the course.

Target Group

The course is aimed at network administrators and planners who deal with the implementation, conception and realization of classic and modern endpoint security in IT infrastructures.

Prerequisites

Network basics in the area of TCP/IP and routing are an advantage. In the area of IT security, basic methods for authentication and securing communication should be known.

Reservation

On our Website, you can reserve a course seat for 7 days free of charge and in a non-committal manner. This can also be done by phone under +49 6074/4868-0.

Guaranteed Course Dates

To ensure reliable planning, we are continuously offering a wide range of guaranteed course dates.

Your Tailor-Made Course!

We can precisely customize this course to your project and the corresponding requirements.

Status 05/15/2025

Training	Prices, excl. of V.A.T.	
Classes in Germany	2 Days	€ 1,795
Online Training	2 Days	€ 1,795
Date/course venue	Course language German 	
24/11-25/11/25  Frankfurt	24/11-25/11/25  Online	

Our Training Offer for You:

Classroom Training

The live training experience in our training centers or on your premises on-site.

Online Training

Attend your course in online mode – without travel and accommodation expenses and effort.

Hybrid Training

Classroom & online in one course – choose how you wish to participate in your training event.

In-house Training

We create your customized training concepts for your project.

Guaranteed Course Dates

ExperTeach guaranteed course dates allow for secure and reliable planning.
