The main heading is 'Welcome to the Courses Page.' Below this, there is a paragraph stating that the page contains training courses for Extreme Networks Certifications. Three certification types are listed: Extreme Sales Specialist (ESS), Extreme Design Specialist (EDS), and Extreme Certified Specialist (ECS). A note mentions that all certifications are valid for 12 months and can be renewed for free. A link is provided for an overview of specializations and master tracks. At the bottom, there are three filter buttons: 'All' (selected), 'E-RATE', 'EDS Security and Access Control', and 'ECS ExtremeNAC'. The 'All' button lists the three certification types. The 'E-RATE' button features the Extreme logo and the text 'E-RATE' and 'E-Rate Badge'. The 'EDS Security and Access Control' button features a padlock icon and the text 'Security and Access Control' and 'EDS Security and Access Control'. The 'ECS ExtremeNAC' button features a server rack icon and the text 'ExtremeNAC' and 'ECS ExtremeNAC'.

Je nachdem, welches Training Sie besuchen, wählen Sie nun aus den drei Kategorien *Extreme Certified Specialist*, *Extreme Design Specialist* oder *Extreme Sales Specialist* aus.
